Who we are

Who is providing this notice?

Dollarize Financial, Inc. and its affiliates

What we do

How does Dollarize protect my personal information?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

How does Dollarize collect my personal information?

We collect your personal information, for example, when you

- ☐ open an account or deposit money
- ☐ use our services
- ☐ if we periodically review your account

AND

We also collect your personal information from others, such as affiliates, or other companies

Why can't I limit all sharing?

Federal law gives you the right to limit only

- ☐ affiliates from using your information to market to you
- ☐ sharing for nonaffiliates to market to you

State laws and individual companies may give you additional rights to limit sharing.

Definitions

Affiliates

Companies related by common ownership or control. They can be financial and nonfinancial companies.

Nonaffiliates

Companies not related by common ownership or control. They can be financial and nonfinancial companies.

Dollarize does not share your personal information with nonaffiliates so they can market to you.

Joint Marketing

A formal agreement between nonaffiliated financial companies that together market financial products or services to you.
